During Your Safari

Role of the School Supervisory Team

Your Sunset Safari will run from 3:30pm – 7:00pm and activities will be facilitated by the Sunset Safari leaders. Please make sure you wear comfortable enclosed shoes.

Duty of care for the students remains with the teachers or organisation representatives and adult supervisors throughout the Sunset Safari experience. Your assistance in helping the Sunset Safari leaders to keep groups together while they are walking around the Zoo is also appreciated.

In line with the Zoo's emergency response plan, after Zoo closing at 5pm, **no student or adult is to leave the group or walk through the grounds unescorted by a Sunset Safari leader.**

All supervisors and adult helpers are expected to be on site for the duration of the program, from its commencement at 3:30pm.

Please Note

Perth Zoo is a completely non-smoking venue. Any supervisors and adult helpers who smoke will need to abstain for the duration of the experience. Alcohol is not to be consumed during your visit.

The Program

We have a very full program and the Sunset Safari Leaders will guide you as to when activities will start and finish and how they will be organised when you arrive.

After Your Safari

Sunset Safari ends at 7pm. Your group will be escorted off the Zoo grounds at this time, exiting at Gate 3.
